

Missions of Love Medical Teams

Missions of Love has a clinic, house, and property in Jolivert. Teams will work at this location, **providing medical service to refugees from Port au Prince.** Update: Dr. Bob Johnson has been able to arrange that some medical team members **serve in a hospital or clinic in Port au Prince.** Your specific location of service may not be determined until you arrive.

**Doctors, nurses, and other medical personnel are needed to
join these trips immediately.**

Please contact the Team Leader listed for more information.
